# ROGER BERLINER

Some politicians say one thing during a campaign, and then seem to forget their promises once they are elected.

Not Roger Berliner.

He has kept his word, and *he'll never stop fighting for our community.*

A LEADER OUR COMMUNITY CAN COUNT ON

COUNCILMEMBER BERLINER HAS EARNED OUR SUPPORT THE OLD FASHION WAY...BY DOING THE JOB WELL

**PROMISE MADE**

**PROMISE KEPT**

**Manage Growth**

Sponsored stronger transportation test requiring more traffic mitigation and stronger school test requiring developer contributions when schools exceed their capacity

**Support Local Economy and Fiscal Responsibility**

Spearheaded the effort to invest in local banks to support local small businesses, created "green" jobs through a solar tax credit, voted against a budget that did not sufficiently reduce spending and is a fiscal conservative

**Provide First-Class Constituent Service**

Voted "Best County Councilmember" in the 2010 Best of Bethesda poll in part because of the high quality of constituent service

**Make Montgomery County "Greener"**

Sponsored eight energy/environmental measures including the Home Energy Loan Program (HELP), won the "Solar Champion" award and is considered the county's "Green Guru"

**Protect and Enhance Our Quality of Life**

Sponsored comprehensive McMansion reform, protected the heart of Bethesda from overdevelopment, fought for neighborhood centers vital to creating a sense of community

**Support Strong Schools**

Supported virtually 99% of school budgets and construction dollars to improve and modernize our aging, overcrowded schools
